TIM (senior)
Navajo
Flagstaff, AZ

Pray for my leadership in and outside my home, and for finishing my bachelor's degree—that it would glorify God above all!

“Freshman” students are in their first semester at IBC, whether traditional freshmen or transfers.

“Continuing” students have returned from previous IBC studies.

“Senior” students are in their final year for their bachelor's degrees.

Please pray for the 20 part-time students taking classes at IBC this semester.

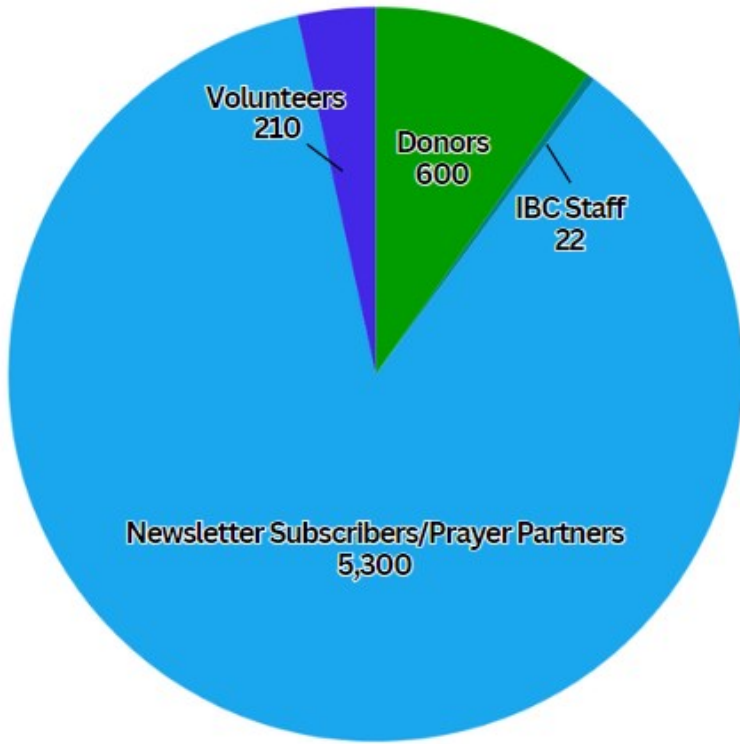

Fourteen of these students are attending class remotely from five different states. Six are attending classes on campus on Tuesday nights.

Pray for meaningful connections with staff, faculty, and other students, and that these 20 would grow in their walk with Christ and desire to serve their communities.

2023-2024 Financial Report

We are thrilled to share that Indian Bible College just completed another fiscal year “in the black”! We thank God for the generosity of his people who have now helped make this possible **thirteen years in a row**. Whether you have contributed by praying, volunteering your time, or giving financially, we thank you for helping to sustain the work of Indian Bible College. As you can see in **the graphic below**, IBC’s work throughout the 2023-2024 school year was carried out by far more than just our 22 staff members!

Fiscal Year	23-24		22-23	
Income	\$	1,452,872	\$	1,445,938
Expenses	\$	1,429,608	\$	1,424,247
Net	\$	23,264	\$	21,691

Creative Ways to Contribute

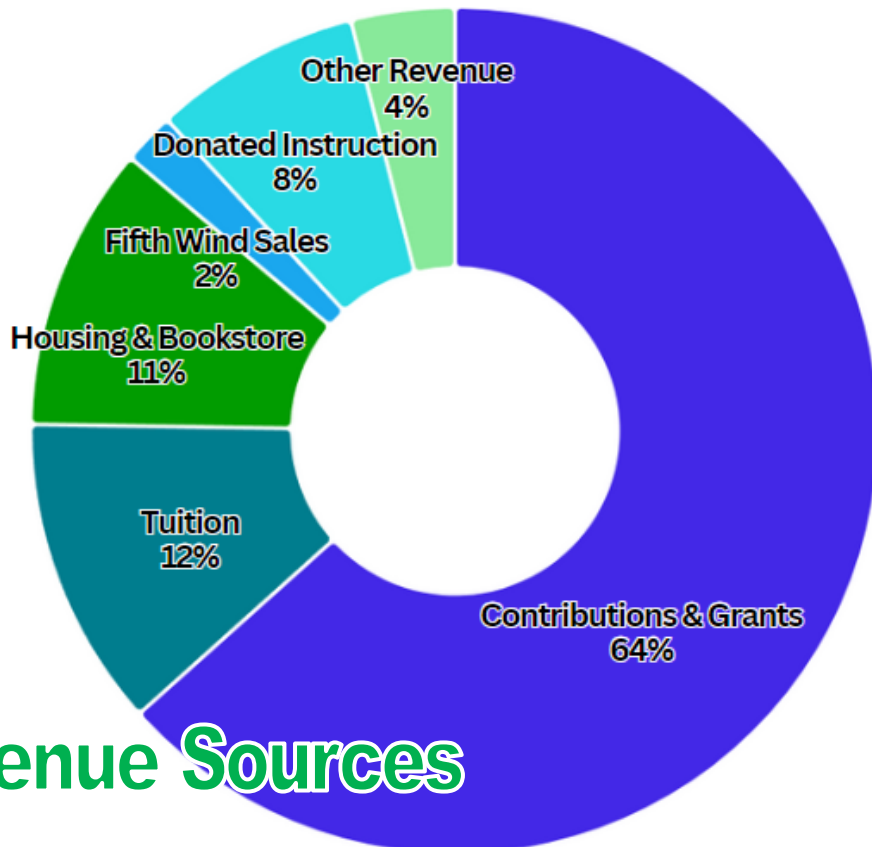

A Gift From Your IRA

If you are 70½ years old or older, IRA gifts are a simple way to give to IBC and receive tax benefits in return. This popular gift option is known as a qualified charitable distribution (QCD). Any gift, whether \$100 or \$105,000 (the maximum allowable amount for 2024), can help lower your tax bill while supporting the training of IBC students for ministry.

Gifts of Stock

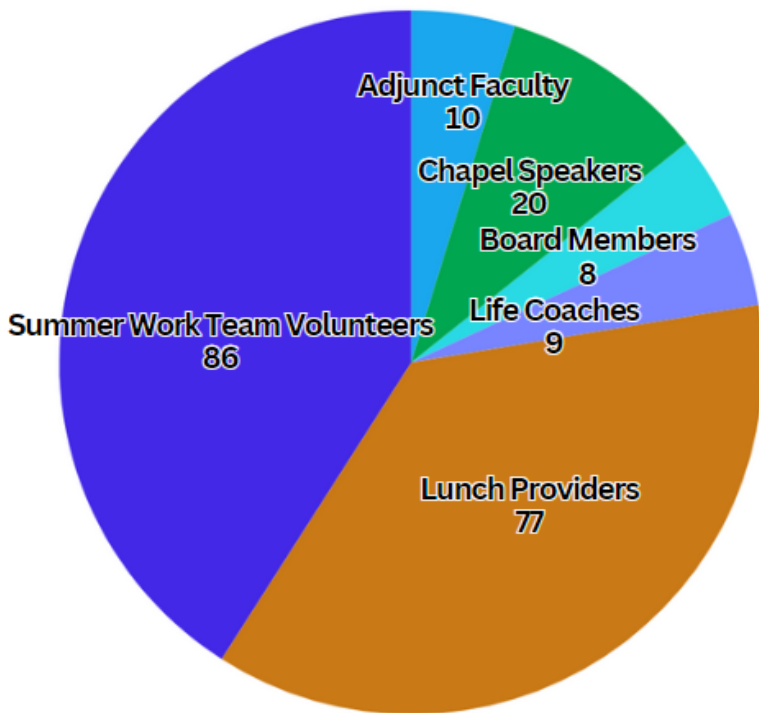

Donating stock is another smart way to support the mission of IBC. Stock donations allow you to save on capital gains taxes *and* claim a tax deduction on the value of the shares you donate.

2023-2024 Revenue Sources

2023-2024 IBC Volunteers

- **Painting Projects:** Several areas of the campus inside and out were refreshed with new paint, adding vibrancy and life to our buildings.
- **Sound Mitigation:** To improve the learning environment, teams worked on soundproofing both the Academic Dean's office and the music room, ensuring quieter, more focused spaces for study, conversation, and music practice.
- **New Carpet in Dorms:** Multiple dorm rooms received new carpeting, enhancing the comfort and appeal of student living areas.
- **New Shelving at the Barn:** New shelving was built and installed in the Barn (administration building), greatly improving the organization and functionality of the front office area

Another milestone from this summer was the culmination of a **two-year-long process of getting approved plans for the on-campus fitness center**. This fitness center has been a long-standing dream, designed to support the physical health of students and staff. The approval of these plans marks a major step forward, and we look forward to seeing this vision become reality in the near future. As we move forward with the fitness center project, **we ask for your prayers**. Please pray for God's continued guidance, provision, and wisdom as we take the next steps toward construction. We trust that He will also provide the resources and people needed to bring it to completion.

These accomplishments are not merely physical improvements; they are a reflection of God's work through His people. Each volunteer used their unique gifts to serve, embodying 1 Peter 4:10, "Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms." Through these projects, the work teams left a lasting impact on our campus, and their efforts will continue to bless our community for years to come. Their service reminds us that when we give of our time and talents, we are participating in God's greater plan, reflecting His love and grace to those around us. May we all be inspired to step into the good works God has prepared for us, knowing that we are His handiwork, created to serve and reflect His love in every corner of our lives.

IBC Work Teams: A Summer of Service

This past summer, Indian Bible College had the privilege of hosting 11 work teams from Oregon, California, Arizona, Colorado, Massachusetts, Texas, and Virginia. Their contributions reflect the very heart of Christian service, as described in Ephesians 2:10, "For we are God's handiwork, created in Christ Jesus to do good works..." These teams exemplified what it means to step into those good works by serving with joy, diligence, and a sense of purpose.

Key projects completed over the summer included:

- **Staff Center Roof Project:** The staff center roof has long been in need of replacement. A work team undertook this significant roof renovation, adding much-needed protection for this important space.
- **Resort Pergola:** A beautiful pergola was constructed at the Resort (men's dorm), adding an inviting outdoor area that encourages community gathering, reflection, and relaxation. This space will serve students, staff, and guests for years to come.
